Games – We will look like a team so we can play like a team. There are no individuals on this team.

- Per PIAA rules, no player may wear any jewelry, including all bracelets.
- All undergarments must be **one solid color** and that color will be either **white or black**.
- All required equipment must be worn properly at all times.
- If you have gloves, they must be worn properly for the duration of the game. Having gloves hanging out of your pants, on your facemask, etc. will not be tolerated.
- Accessories that are not worn daily at practice will not be permitted on game nights. This includes arm sleeves, wrist bands, spats, etc.
- No one will be taped cosmetically (meaning for no reason or to only make you look good) which includes having your wrists taped, shoes taped, etc.

Visors

- Although we discourage wearing a visor because it gets dirty, sweat builds up on it, rain makes it difficult to see, etc., a player may wear a clear visor **only if they have a note from an eye doctor**. Having a note from your family doctor is not good enough.
